We have audited the accompanying financial statements of Amudim Community Resources, Inc., which comprise the statement of financial position as of December 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Amudim Community Resources, Inc. as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

NOTE 1 - NATURE OF ENTITY

Amudim Community Resources, Inc. (Amudim) is an organization providing crisis intervention and case management for individuals suffering from addiction, victims of sexual abuse and youth at risk.

Amudim has been granted exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been held to be a publicly supported organization, and not a private foundation under Section 509(a).

Amudim is supported primarily by contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements are prepared on the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributions receivable - Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Accretion of discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Furniture and equipment - Items costing more than \$5,000 and having a useful life in excess of one year are capitalized at cost and depreciated on the straight-line method over the estimated useful life of 7 years.

Unrestricted net assets - Unrestricted net assets include funds having no restriction as to use or purpose imposed by donors.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions - Unconditional contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Government grants - Revenue from government grants is recognized when earned. Expense based grants are recognized as allowable expenses are incurred.

Donated space - Donated space is recorded at fair value at the date of donation.

Advertising - Advertising costs are expensed as incurred.

Rent expense - Rent is expensed on the straight-line basis over the term of the lease. Deferred rent is recorded where there are material differences between the fixed payment and the rent expense.

Functional allocation of expenses - The costs of providing Amudim's services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Uncertainty in income taxes - Amudim has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. Periods ending December 31, 2013 and subsequent remain subject to examination by applicable taxing authorities.

Subsequent events - Subsequent events have been evaluated through November 13, 2017, which is the date the financial statements were available to be issued.

NOTE 3 - LOAN PAYABLE

Amudim has an uncollateralized loan from an individual unrelated to the organization. The loan is interest free and there are no specific repayment terms. The balance of the loan at December 31, 2016 was \$16,198.
